## Community Transportation Directory

This Directory and TripLink's services are part of the Alliance for Community Transportation's efforts to expand access to affordable and efficient transportation in southeastern New Hampshire. We encourage you to take advantage of the services being provided.

The Directory includes information for traveling by:

Bus

Shopper Shuttle

Volunteer Driver

Reduced-Fare Taxi

and more...

# How to use the Directory

Our print Directory is an alphabetical list of nonprofit or reduced-fare transportation options, including contact information, a brief description of the service, and a list of the towns that they serve. Call the providers directly for complete details or to register for their service.

Agencies with a ★ are ACT members.

Listings with a  provide wheelchair-accessible transportation.

To find information about for-profit transportation providers such as taxis, limos, and coach buses, please visit us online at [www.communityrides.org](http://www.communityrides.org).

For help using the Directory or to report a correction, please contact **TripLink** at 603-834-6010 or [triplink@communityrides.org](mailto:triplink@communityrides.org).

## Common Application

The TripLink call center connects the public with transportation resources in the greater Seacoast area. If you, or someone you know, needs help getting around, just call TripLink!

Based on varying eligibility criteria for each program, TripLink staff will connect you to the best programs to meet your transportation needs. TripLink will also help you use our online Common Application. The Common Application allows you to register for most of the region's nonprofit transportation services at the same time.
